

# twitter

## for the terrified

believe it or not, twitter can be a highly useful tool for your business!

interested? then read on...

in just three hours we will...

- tell you what the fuss is all about
- explain why twitter is great for small businesses
- set up your own twitter account (on your own laptop)
- teach you what to tweet and when to tweet

**just  
£45**  
plus vat

*"I attended the workshop knowing nothing about Twitter. To be honest I try to avoid anything technical! The workshop was infomative, clearly presented and most of all - fun. I am now Tweeting on a regular basis and am looking forward to the advanced class!"*

*Shirley, @alleycatsbeauty*

the next course is on:

Friday 8 February 10am - 1pm

to be held at

Turner House, 9 - 10 Mill Lane  
Alton, Hants, GU34 2QG
