

ALRESFORD CAR PARKING QUESTIONNAIRE

The Alresford Chamber of Commerce are conducting this Public Survey in order to gain the views of the local public about planned changes to on street parking and revised parking charges in central Alresford Car Parks.

Winchester City Council manage the Car Parking in New Alresford and in order to gather the views of the public, we ask that you fill in this Questionnaire and return it to us. Thank you.

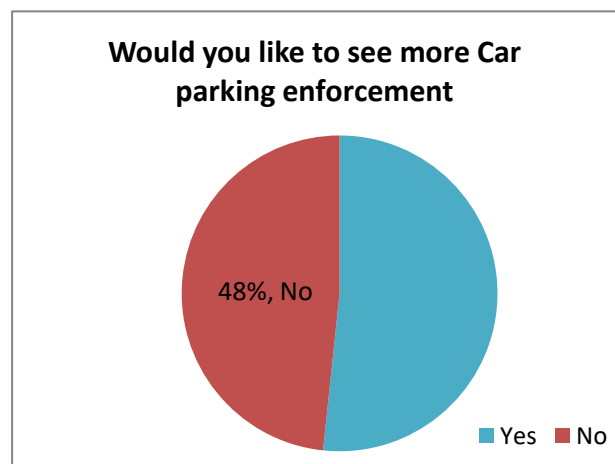

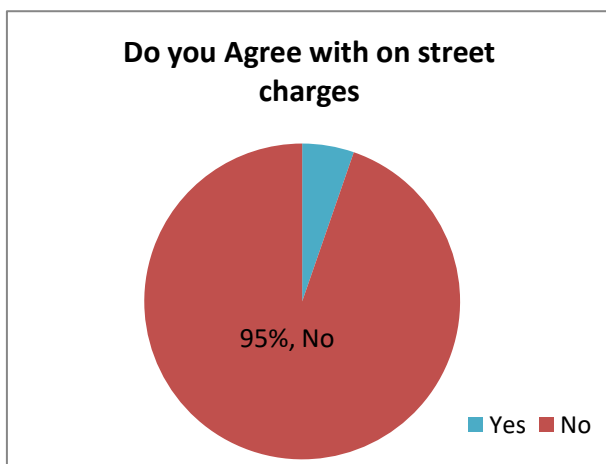

In January 2,000 Questionnaires were distributed via The Forum to households within the Alresford area. We were over-whelmed by the response of 604 completed questionnaires – 30% .Thank you to those households that responded. We also thank the Co Op for their assistance supplying a central location to deposit returns.

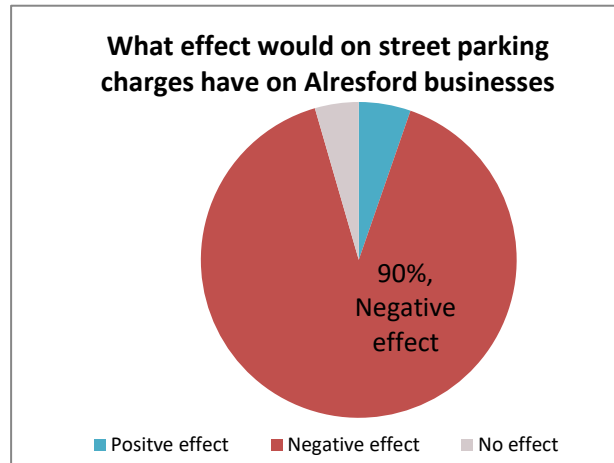

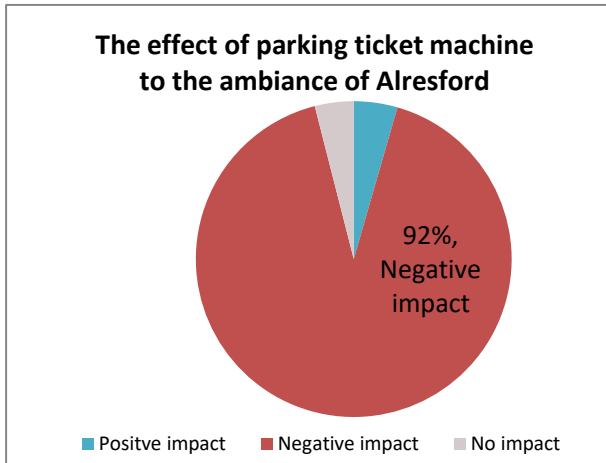

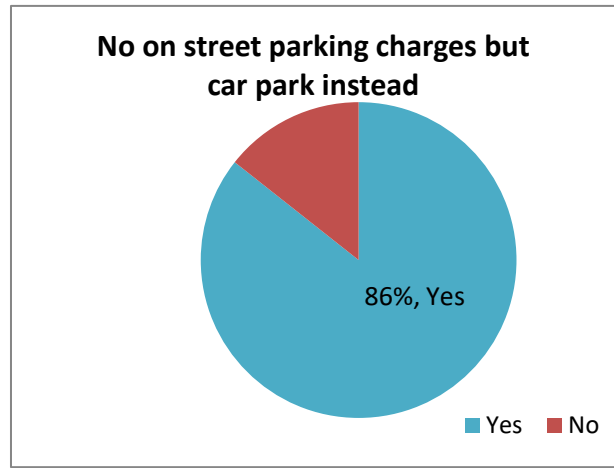

We do apologise for the delay in reporting the results. With the Covid situation, the release of our parking Questionnaire results appeared insensitive when all of our thoughts were with getting through lock down and the challenges to come.

We are currently unable to hold an AGM to update members & residents with the outcome. The results will be fed back to the Local Council and Winchester City Council.

The responses across questions about central Alresford did not differ greatly between outside villages or central Alresford. 62% of responses were from Alresford and 30% the surrounding villages.

8% either did not supply a postcode or its location could not be determined
